## vision statement

Starplex Scientific Inc. is dedicated to the development of innovative, premium quality plastic disposables; providing reliable specimen transportation for many facets of the health care industry. Focused on and responsive to the needs of the customer, Starplex strives to anticipate the evolving market requirements and work co-operatively with customers to implement unique, effective solutions.

## record of reliability

Our origins date back to the 70's, and since then we have become a prominent supplier to the medical industry. Our sales and distribution coverage includes every state and province of North America, supported by a state-of-the-art manufacturing plant in Canada. We are privileged to supply literally thousands of hospitals, laboratories and health care facilities with Starplex products.
